Funded by the **European Union** and implemented in partnership with **UNICRI**

Partner Countries

The Hashemite
Kingdom of Jordan

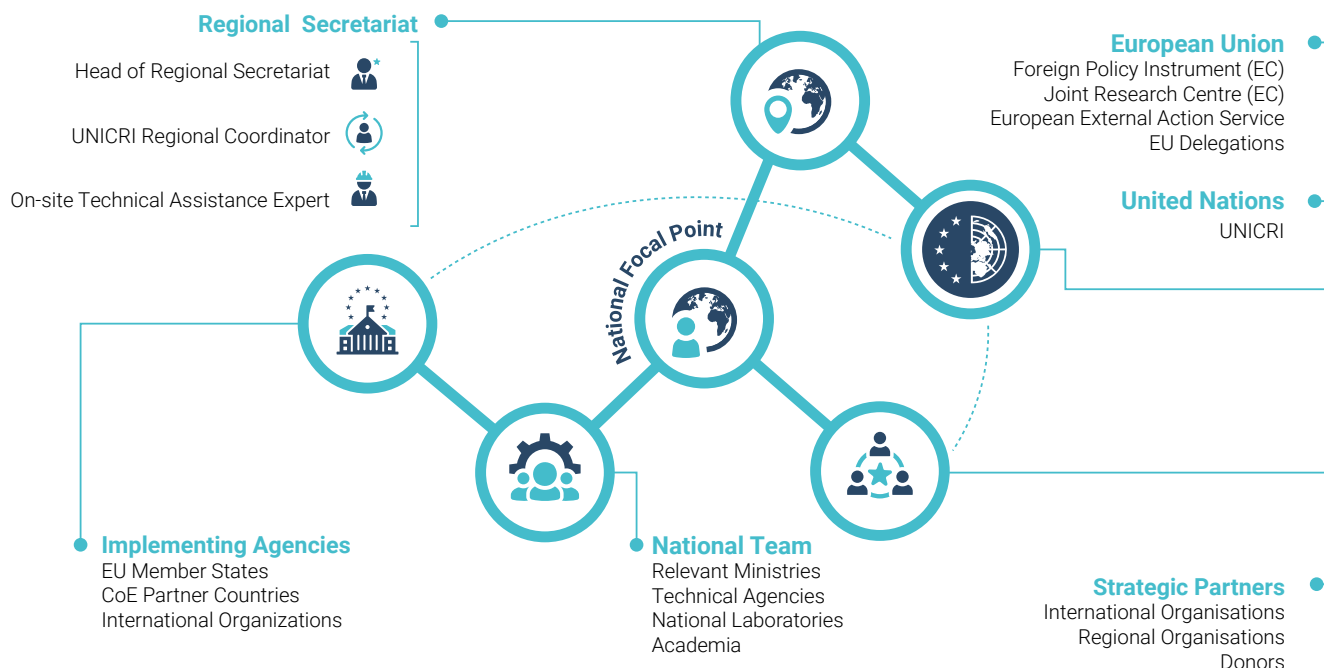

The Republic of
Iraq

The Republic of
Lebanon

Structure

Regional Priorities

Tackling CBRN
Security Threats

CBRN Critical
Infrastructure

CBRN waste
and transport

CBRN Education,
Training, and Exercises

Environment and
Health Priorities

Enablers: Outreach, Legal
Framework, Regional and
International Cooperation

Methodology

3 National
Focal Points

3 CBRN National Teams
institutionalized

3 National Action Plans
officially endorsed

A new Regional Action
Plan is established for the
period 2025-2030

Recent Achievements

Achievement 1: Endorsement of the 2nd edition of the Middle East CBRN Regional Action Plan demonstrates strong commitment of the 3 partner countries to CBRN risk management at national, regional, and interregional levels

Achievement 2: Mapping of CBRN Middle East Capabilities optimized resources, enhanced regional cooperation and enables attracting new strategic partners to ensure stronger sustainability

Achievement 3: More than 30 CoE projects (all countries) and ARZ field exercises (Lebanon) significantly increased expertise, tested capabilities and bolstered capacities in terms of education, training centers and infrastructure

Projects

Project P73: Protection of Critical Infrastructures.

Project P89 EU P2P: Export Control Programme for Dual-use Goods - Middle East.
